I wonder about that.

Don't glare like that.

I'm not doing anything.

You're nothing more than tools to our village.

I don't break you but will I forgive you.

I would kill you if I could.

You  
can't,  
can you?

Whe-

Then,  
kill me.

But,

Because  
of that  
person's  
orders?

We don't  
try to get  
along

Because  
you  
shouldn't  
trust me

after all

Do
